

**Student Government Resolution 116.015**

**A Resolution in Recognition of Outstanding Service for Parker Conover  
Sponsored by Zach Hollstrom, Health, Wellness, and Safety Committee Chair;  
Jake Buxton, External Affairs Chair; Christy Crouse, Diversity Committee Chair**

WHEREAS,

- The Student Government is the official governing body of the Student Association and exists to represent the present and long term best interest of the Student Association in the formulation of the University policy and in the fulfillment of the University mission; and
- Parker Conover is a senior creative writing and political science major at Truman State University; and
- Parker has served on the Student Government for two years as a voting senator, member of the standing rules ad-hoc committee, chair of the grants and sponsorships committee, and chair of the external affairs committee; and
- Parker has been actively involved in other campus organizations such as Students Supporting the Exceptional Community and Club Soccer where he served as president; and
- Parker played a critical role in changing and revising the Student Government Standing Rules in the Spring of 2015; and
- Parker effectively managed the Grants and Sponsorships Committee by responsibly evaluating applications and distributing money during the 2014-2015 academic year; and
- Parker lead the effort to successfully establish the first annual Holiday on Campus event in the fall semester of 2015, sponsored by the External Affairs Committee; and
- Parker has helped foster a strong relationship with Sodexo by leading the charge to maintain The Student Government's sterling reputation adhering to the University Food Policy; and
- Parker is the creator of the fringe movement to end snapping at Student Government Sunday night meetings; and
- Parker changed the way campaigns are run at Truman State University by exploiting puppies to achieve unparalleled cuteness in campaign photos for the Spring 2015 elections; and
- Parker paved the way for outsider candidates like Ben Carson and Donald Trump at Truman State University by running for president as an outsider himself in the spring of 2014; and
- Parker's impressive self-confidence, although moderately nauseating at times, has undoubtedly inspired other members of the body to lead with such coolness; and
- Parker has displayed unrivaled sarcasm, snark, and general apathy in order to achieve his endeavors in Student Senate, and see his vision for the University achieved.

THEREFORE BE IT RESOLVED,

- That the Student Government, on behalf of the Student Association, expresses its total indifference to senator Parker Conover, but also our thanks too we guess, for his dedicated service to the Truman State University community; and
- The Student Government wishes the best of luck to Parker Conover and the people of Jefferson City as he moves on to his internship at the capitol, and potentially defies the odds by graduating in the Spring of 2016.

THE STUDENT GOVERNMENT OF TRUMAN STATE UNIVERSITY DIRECTS THAT,

- Additional copies of this resolution are distributed to Parker and his family.
