The Truman State University Student Government is committed to the continual betterment of the University community from the perspective of the Student Association. To this end, the Student Government strives to:

PARTICIPATE actively in the fulfillment of the University's mission as an exemplary Public Liberal Arts and Sciences University,

REPRESENT the views of the Student Association in the formulation of University policy through legislation and membership on University committees,

FACILITATE communication and mutual understanding between the Student Association, faculty, staff, and administration, and

PROMOTE a cohesive vision for the future of the University.

Through this mission, the Student Government seeks to uphold the values and ideals of the Student Association both now and in the future.

ARTICLE I: STRUCTURE

Section 1: Definitions of Student Government, Student Senate, the Executive Board, the Executive Staff, and the Executive Committee

Clause 1

Student Government shall refer to all members of the Student Senate, the Executive Board, the Executive Committee, the Executive Staff, and all subsidiary committees of these bodies.

Clause 2

Student Senate shall refer to the legislative body of the Student Government, which serves to ensure proper representation of the Student Association.

Clause 3

The Executive Board shall refer to the primary executive body of the Student Government, which serves to provide direction for the Student Government.

Clause 4

The Executive Committee shall refer to the secondary executive body of the Student Government, which serves to ensure the yearly functionality of the Student Government.

Clause 5

The Executive Staff shall refer to the administrative personnel of the Student Government, who serve to ensure the efficiency and productivity of the Student Government.

Section 2: Membership Qualifications

All non-associate members of Student Government must have at the time of installation and throughout their tenure in office a minimum cumulative grade point average of 2.75. Members in their first year at Truman must have throughout their tenure in office a minimum cumulative grade point average of 2.75.

Section 3: Committee Structure

Clause 1

Committees of the Student Government shall be divided into three categories: primary committees, secondary committees, and ad hoc committees.

Clause 2

Primary committees are permanent committees that exist in order to address current concerns of the Student Association while serving their long term interests. These committees shall be defined and structured so that they may address a wide-range of topics within an overall category of student life.

Clause 3

Primary committees may have permanent subcommittees in order to deal with an ongoing, specific issues. Subcommittee structure shall be defined in the Standing Rules.

Clause 4

Secondary committees are permanent committees that exist in order to provide a particular service to the Student Association. These committees shall be defined and structured so that they may effectively provide this service.

Clause 5

Ad hoc committees are temporary committees that shall exist for a defined time and purpose. These committees shall expire at a time stated upon their creation, or at the spring transitional meeting, whichever comes first. The new President shall have the ability to motion to renew the existence of an ad hoc committee at the spring transitional meeting for the upcoming year, subject to a majority vote of the Student Senate. Ad hoc committees shall be created in order to address a temporary, though pertinent, issue facing the Student Association that cannot be addressed within the existing primary or secondary committees.

ARTICLE II: THE STUDENT SENATE

Section 1: Legislative Power

Clause 1

The legislative power of the Student Government shall be vested in a Student Senate.

Clause 2

The power to bring forth legislation for the consideration of the Student Senate shall rest solely with the membership of the Student Government.

Section 2: Membership

Clause 1

The membership of the Student Senate shall consist of: the Student Representative to the Board of Governors, the Speaker of the Student Senate, five senior senators, fifteen senators, four incoming senators, a graduate senator, organization representatives, and associate members.

Clause 2

Voting members of the Student Senate shall be the five senior senators, fifteen senators, four incoming senators, and the graduate senator. When called to vote, they may respond with a vote of “yes” or “no”, or they may abstain from voting.

Clause 3

The non-voting membership of the Student Senate shall be the Student Representative to the Board of Governors, organization representatives, and associate members. When called to vote, all non-voting members may respond with “support” or “do not support”, or they may abstain from voicing an opinion. The Speaker will not be called to vote and is considered a neutral member of the Student Senate.

Section 3: Definitions of Majority Votes

Clause 1

A simple majority shall be defined as an affirmative vote by at least one fourth of the total voting membership as well as a majority of those members present and voting; this voting total shall not include any who have abstained.

Clause 2

A two-thirds majority shall be defined as an affirmative vote by at least one third of the total voting membership as well as a two-thirds majority of those members present and voting; this voting total shall not include any who have abstained.

Clause 3

Any further types of majority votes shall be defined as at least the majority needed divided by two of the total voting membership voting affirmatively as well as the majority needed of those members present and voting; this voting total shall not include any who have abstained.

Section 4: Student Representative to the Board of Governors

Clause 1

The Student Representative to the Board of Governors shall serve as an intermediary between the Student Government, the Student Association, and the Board of Governors.

Clause 2

The Student Representative to the Board of Governors should attend and participate in as many full body meetings of the Student Government and Executive Committee meetings as possible.

Clause 3

The search for a new Student Representative to the Board of Governors shall be conducted by a secret, all-student committee chosen by the President of the Student Association and the most recent Student Representative to the Board of Governors.

- a. The selection committee shall be chaired by the President of the Student Association and comprised of the most recent Student Representative to the Board of Governors, a voting member of the Student Senate, a residential life representative, a member of the Student Activities Board or the Funds Allotment Council, a campus media representative, a representative from the Multicultural Affairs Center or International Office, and a student at large.
- b. The committee must be selected prior to applications for the position are made available.
- c. The committee will strive to be fair and unbiased in its search for a new Student Representative to the Board of Governors, doing its best to widely promote the position and reserve potential biases when discussing candidates.

d. Once the committee has chosen three final candidates, a slate of the names shall be sent to the Student Senate for confirmation by a closed session, majority vote. Should the Student Senate not confirm the slate, the committee shall form a new slate to send to the Student Senate by the following week. During discussion of the slate, the members of the committee need no longer remain secret.

e. After a slate has been confirmed, the names shall be sent to the Governor of Missouri by a date specified in the Standing Rules.

f. Upon approval by the Missouri Governor, the new Student Representative to the Board of Governors shall be sworn in at the next full body Student Government meeting in a manner consistent with that in the Standing Rules.

Clause 4

The Student Representative to the Board of Governors may not hold any position within Student Government aside from their own.

Section 5: The Speaker of the Student Senate

Clause 1

The Speaker of the Student Senate shall be the neutral member of the Student Government and shall work to ensure the functionality of the Student Government, neither speaking in favor of nor against any matter brought before the Senate, but speaking only on fact and procedure.

Clause 2

The Speaker of the Student Senate shall preside over all full body meetings of the Student Senate and shall set the agenda for all full body meetings of the Student Senate.

Clause 3

Meetings shall be conducted in a manner consistent with the governing documents of the Student Government, the most updated version of parliamentary procedure, and precedent set by former Speakers, in that order of priority.

Clause 4

If desired, the Speaker may select a Speaker Pro Tempore to preside over meetings in the Speaker's absence. Any member of the Student Government that is not on the Executive Board may serve as Speaker Pro Tempore. The Speaker Pro Tempore does not need to be confirmed by the Student Senate. While serving as Speaker, the Speaker Pro Tempore may not vote.

Clause 5

In the absence of a Speaker Pro Tempore, a senior senator selected at random will preside over meetings.

Clause 6

In the absence of an Ethics Justice, the Speaker shall serve as Ethics Justice. The Speaker may hold no other position, except for an ad hoc committee chair.

Clause 7

In the event that the Speaker presents a resolution while acting as ad hoc committee chair, the resolution shall not state that the Speaker is sponsoring it, but rather the ad hoc committee chair. During the presentation of this resolution, the Speaker Pro Tempore or a random senior senator shall preside over the meeting, should the Speaker Pro Tempore be a member of the ad hoc committee.

Clause 8

The Speaker shall have the authority to call special meetings of the Student Senate.

Clause 9

The voting members of the Student Senate shall elect the Speaker by a two-thirds majority vote. The Speaker shall be selected for a term beginning at the transitional meeting and ending at the next transitional meeting.

Clause 10

The procedure for election of the Speaker shall be outlined in the Standing Rules.

Section 6: Organization Representatives

Clause 1

Any organization that is chartered by and in good standing with the University may petition the Student Senate to send a representative to the Student Senate.

Clause 2

The Funds Allotment Council, the Student Activities Board, and Residential Hall Association are not required to petition the Student Senate in order to send a representative, but their representative must still be approved by the Senate.

Clause 3

While attending meetings of the Student Senate, organization representatives shall have all of the rights and obligations of voting members of the Student Senate except for the right to vote.

Clause 4

Organization representatives shall be called upon during a roll call vote to voice, on behalf of their organization, an opinion of “support”, “do not support”, or “abstain”.

Section 7: Associate Members

Clause 1

While attending meetings of the Student Senate, associates shall have all of the rights and obligations of voting members of the Student Senate except for the right to vote.

Clause 2

Associates shall be called upon during a roll call vote to voice an opinion of “support”, “do not support”, or “abstain”.

Clause 3

Associate members shall be selected for a term beginning on their confirmation and ending at the next transitional meeting.

Clause 4

Associate members shall be members of at least one committee and may be removed from the Student Senate should they fail to meet the duties required by their committee chair.

Section 8: Powers

Clause 1

The Student Senate shall approve such legislation as it deems necessary through a simple majority vote, unless another vote or majority requirement is stipulated in this constitution or the

standing rules. In the event that the presidency is vacant or invalid, all legislation must be adopted with a two-thirds majority vote, unless a higher majority is required.

Clause 2

The Student Senate shall have the power to override Presidential vetoes by a two-thirds majority vote.

Clause 3

The Student Senate shall have the power to confirm or reject all appointments except where stated in this Constitution or the Standing Rules. The following appointments do not have to be confirmed by Student Senate: temporary representatives to external committees and Speaker Pro Tempore. All slates of nominees may be split unless specified in this constitution or the standing rules.

Clause 4

The Student Senate shall have the power to create and charge with a duty any necessary ad hoc committees by a majority vote.

Clause 5

The Student Senate may override an executive order by a two-thirds majority vote.

Clause 6

The Student Senate shall have the final authority to interpret this Constitution and the Standing Rules.

Section 9: Impeachment

Clause 1

All members of the Student Government shall be subject to removal from office on impeachment for, and conviction of, serious violations of the Student Government's Ethical Code of Conduct, Standing Rules of the Student Government, Constitution of the Student Government, violations of the Student Conduct Code, University Regulations, Missouri statutes, and or federal law.

Clause 2

The Student Senate shall have the authority, by a two-thirds majority vote of the total current voting membership, to impeach any member of the Student Government.

Clause 3

The Student Senate shall convict and remove impeached members of the Student Government from office by a three-fourths majority vote of the current total voting membership.

Clause 4

Neither articles of impeachment nor removal from office may be reconsidered, repealed, or expunged from the record in any way by the Student Senate.

Section 10: Censure

Clause 1

All members of the Student Government shall be subject to censure for violations of the Student Government's Ethical Code of Conduct, Standing Rules of the Student Government, Constitution of the Student Government, or other important misconduct.

Clause 2

The Student Senate shall have the authority by a two-thirds majority vote of the total current voting membership to censure any member of the Student Government.

Clause 3

Censure may not be reconsidered, repealed, or expunged from the record in any way by the Student Senate.

Section 11: Primary Committees and Subcommittees

Clause 1

The Academic Affairs Committee strives to ensure the continuance of the academic quality of Truman State University from the perspective of the Student Association. This committee strives to promote: a diverse curriculum encompassing the philosophy, values, content, and ideals of a Liberal Arts and Sciences education; academic integrity and other ethics and values inherent in a liberal arts and sciences education; academic advising of the highest caliber which assures that students understand the role of the Liberal Arts and Sciences in the University's curriculum; and proper student representation within faculty and University governance.

Clause 2

The Student Affairs Committee strives to ensure the fulfillment of the University's mission in the non-academic aspects of the University community from the perspective of the Student Association. This committee actively works to: improve the quality of student life; guarantee the rights and promote the desires of the Student Association; further the enhancement of an all-encompassing living and learning environment; and ensure that University policies and programs are commensurate with the best interests of the Student Association.

- a. The Purple Friday Committee is a subcommittee of the Student Affairs Committee.
- b. The Purple Friday Committee's structure shall be detailed in the Standing Rules.

Clause 3

The External Affairs Committee strives to promote communication between the Student Association and the larger society of which it is a part. This committee actively works to: establish and maintain communication with members of the Kirksville community, the Missouri State Government, and the student governments from other universities in order to share perspectives and gather information, thereby increasing the awareness of the Student Association on issues which impact its well-being in order to create an informed citizenry; exchange information and perspectives with prospective and future members of the Student Association; and gather student opinion on issues that impact the Student Association and the University community.

Clause 4

The Environmental Affairs Committee strives to ensure the maintenance of a campus environment that is commensurate with the goals of a Liberal Arts and Sciences university from the perspective of the Student Association. This committee carefully considers issues concerning resource management and recycling, construction, repairs, renovations, campus beautification, and handicap accessibility in order to assure that: all facilities and grounds are optimally utilized and maintained in a safe and environmentally responsible manner; decisions affecting the campus environment will receive appropriate student, faculty, staff, and administrative input prior to

implementation; and the University's facilities in no way inhibit or hinder, but rather enhance, the Liberal Arts and Sciences environment.

Clause 5

The Diversity Committee strives to improve the harmony among the diverse population of the Student Association and actively work to represent the interests and needs of marginalized students and communities. The Committee shall promote diversity in all of its forms through one Diversity Week per year, other diversity programs, and involvement in University policy making.

Clause 6

The Health, Wellness, and Safety Committee strives to nurture a campus environment of well being through a commitment to continuous improvement of University public health and safety. The committee will serve in order to: advocate for mindful health practices of the Student Association at large by promoting awareness of healthy lifestyle development; fervently identify protection concerns; solve comfort problems; and secure safety measures for the general welfare of all University students, faculty, and staff.

A student shall assume the office of Treasurer upon appointment by the President and confirmation by a majority vote of the Student Senate.

Clause 2

The Treasurer may not hold any additional position on the Student Government, except for chair of an ad hoc committee.

Clause 3

The Treasurer shall coordinate all Student Government fundraisers.

Clause 4

The Treasurer shall be responsible for making deposits and withdrawals on behalf of the Student Government.

Clause 5

The Treasurer shall act as a consultant to the Student Senate on budgetary matters.

Clause 6

While attending meetings of the Student Senate, the Treasurer shall have the same rights and obligations of voting members except for voting privileges.

Clause 7

The Treasurer may not hold any position on the Student Government, except for chair of an ad hoc committee and their own.

Section 6: Secretary

Clause 1

A student shall become the Secretary upon appointment by the President and confirmation by a majority vote of the Student Senate.

Clause 2

The Secretary may not hold any additional position on the Student Government, except for chair of an ad hoc committee.

Clause 3

The Secretary shall have the responsibility of keeping the records of the Student Government up to date and in order. The Secretary shall maintain an up to date copy of this constitution and the standing rules and ensure both are publically available.

Clause 4

The Secretary shall, with the assistance of other relevant members of the Student Government, have the responsibility of compiling the End of the Year Report.

Clause 5

The Secretary shall have the independent responsibility for enforcing the absence policy as adopted by the Student Government for all positions except for their own. The absence policy of the Secretary shall be maintained by the Executive Committee.

Clause 6

The Secretary shall have the responsibility to inform members of the Student Government that a veto has been filed upon receiving the written account of the veto from the President.

Clause 7

The Secretary may not hold any position on the Student Government, except for chair of an ad hoc committee and their own.

ARTICLE IV: EXECUTIVE STAFF

Section 1: Purpose

The Executive Staff shall refer to the administrative personnel of the Student Government, who serve to ensure the efficiency and productivity of the Student Government.

Section 2: Membership

Clause 1

The membership of the Executive Staff shall include: the Legislative Director, the Public Relations Director, the Information Technology Director, the Ethics Justice, and all individuals appointed as a Presidential Aide.

Clause 2

The powers and responsibilities of individual members of the Executive Staff shall be defined in the Standing Rules.

Clause 3

The Executive Committee shall refer to the secondary executive body of the Student Government, which additionally serves in order to ensure the yearly functionality of the Student Government.

Section II: Membership

Clause 1

The membership of the Executive Committee shall include: the Executive Board, all individuals holding a chairship, the Student Representative to the Board of Governors, the Ethics Justice, the Executive Staff, the Faculty Advisor, and the Staff Advisor.

Clause 2

Executive Committee decisions being made on behalf of all Student Government shall be decided by a majority vote of all members of the Executive Committee, excluding the Faculty Advisor, Staff Advisor, and Student Representative to the Board of Governors.

Clause 3

The Executive Committee shall be required to meet every week there is a full body meeting.

Clause 4

While attending meetings of the Student Senate, all members of the Executive Committee, who are not already Voting Members of the Student Senate, except the Speaker of the Student Senate, the Faculty Advisor, and the Staff Advisor, shall have the same rights and obligations of voting members except for voting privileges.

Clause 5

In the event the presidency is vacant or invalid, the Vice President shall become the temporary chair of the Executive Committee. Should both the presidency and vice presidency be vacant or invalid, the voting members of the Executive Committee shall elect from among themselves a temporary chair.

ARTICLE VI: ELECTIONS

Section 1: Terms

The Fall term shall be defined as the first day of first semester classes to the day before finals. The Spring term shall be defined as the first day of second semester classes through the Spring transitional meeting. Only service in the legislature or executive shall count when determining the number of terms served. If a member of the Student Association serves for over one-half of a term in the executive or legislature beginning with the date of their confirmation by the Student Senate, their service shall count as a full term.

Section 2: Election Administration

Student Government elections shall be administered according to the Standing Rules.

Section 3: Incoming Senator Eligibility

A student meeting the necessary requirements for office shall be eligible to run for incoming senator if they are in their first semester at the University, not counting summer or winter interim sessions.

Section 4: Senator Eligibility

Any student meeting the necessary requirements for office shall be eligible to run for senator.

Section 5: Senior Senator Eligibility

Any student meeting the necessary requirements for office shall be eligible to run for senior senator if they have served for two terms as an elected member of the Student Government, two academic years as an appointed member of the Student Government Executive Committee, or one term as an elected member of the Student Government and one academic year as an appointed member of the Student Government Executive Committee.

Section 6: Graduate Senator Eligibility

Any student meeting the necessary requirements for office shall be eligible to run for graduate senator.

Section 7: Presidential Ticket Eligibility

Any pair of students, enrolled full-time at Truman State University and meeting the necessary requirements for office, shall be eligible to run as a ticket for President and Vice President.

Section 8: Length of Term – Spring Installation

Clause 1

The President, Vice President, three senior senators, and twelve senators shall be elected in the Spring general election for a term beginning at the transitional meeting and ending at the next transitional meeting.

Clause 2

Installation of these members shall occur providing the member meets the necessary requirements. Installation of students nominated and confirmed to fill vacancies in these seats shall occur after their confirmation.

Section 9: Length of Term – Fall Installation

Clause 1

Two senior senators, three senators, a graduate senator, four incoming senators, and any positions vacant before petitions for elections are made available to the Student Association for the Fall general election shall be elected in the Fall general election for a term beginning at the date of installation and ending at the next transitional meeting.

Clause 2

Installation of these members shall occur at a regular Fall meeting, no later than the date specified in the standing rules, providing the member meets the necessary requirements. Installation of students nominated and confirmed to fill vacancies in these seats shall occur after their confirmation.

Section 10: Presidential Vacancy

Clause 1

If there is a vacancy in the office of the presidency of the Student Association, the Vice President will assume the office of the presidency for the remainder of the term, appointing a new Vice President from within the Student Government as soon as possible. If there is a vacancy in both the offices of the President and Vice President, a special election will be held between 10 and 20 school days after the office became vacant, excluding vacations and holidays, to fill the office. This election shall be administered according to the standing rules.

Clause 2

If there is a vacancy in both the offices of President and Vice President, the Speaker of the Senate shall serve as President Pro Tempore until a new President is elected and sworn in.

Section 11: Exclusivity of Positions

No student shall be eligible to seek election to more than one Student Government position at a time.

ARTICLE VII: STANDING RULES AND ETHICAL CODE OF CONDUCT OF THE STUDENT GOVERNMENT

Section 1: Standing Rules

Clause 1

The Student Government shall develop and maintain a set of Standing Rules, which shall be a governing document inferior to this constitution. The Student Senate shall adopt these rules by a two-thirds majority vote.

Clause 2

The Student Senate may amend and approve an updated version of the Standing Rules within the first four weeks of the Fall and Spring semesters, not counting the extended freshman week, by a two-thirds majority vote. If no new version is approved, the last approved copy shall remain in effect.

Clause 3

Standing Rules changes proposed by an ad hoc committee created for such a purpose shall require a two-thirds majority vote.

Clause 4

The Student Senate may amend the Standing Rules at other times than those specified above by a three-fourths majority vote.

Clause 5

The sections of the Standing Rules dealing with impeachment and censure may not be suspended. The sections of the Standing Rules dealing with impeachment and censure may only be amended within the first four weeks of the Fall or Spring semester, excluding the extended freshman week, and may not be amended while an impeachment or censure is pending.

Section 2: Ethical Code of Conduct

The Student Government's Ethical Code of Conduct will be binding on all members of the Student Government and may be amended or replaced by the Student Government at either of the two meetings of the Student Senate immediately following the Fall general election. After that time, the Student Government's Ethical Code of Conduct may only be amended by a three-fourths majority vote.

ARTICLE VIII: RECALL, REFERENDUM, AND INITIATIVE

Section 1: Recall

Clause 1

The President of the Student Association, Vice President of the Student Association, and any voting member of the Student Senate are subject to recall at any time.

Clause 2

An incoming senator or graduate senator may be subject to recall by a petition signed by at least fifteen percent of their constituency as defined in this constitution.

Clause 3

The constituency of a member of the Student Government shall be defined as members of the Student Association who were able to vote for the candidate during their most recent election to the body.

Clause 4

The President, Vice President of the Student Association, senior senator, or senator may be subject to recall by a petition signed by at least fifteen percent of the Student Association.

Clause 5

When a recall petition has been duly signed, it shall be presented to the Student Senate, the seat that is being petitioned will be declared temporarily invalid. Thereupon, the Student Senate shall call a special election, which shall be held between the fifth and tenth days after said petition has been presented, excluding holidays and vacations, unless the petitioning party waives this right.

Clause 6

If a majority of the voters, which shall constitute at least ten percent of the position's constituency, favor the recall, the Student Government member in question shall be recalled and their office declared vacant.

Clause 7

All vacancies due to recall shall be filled as all other vacancies that occur in positions in the Student Government.

Section 2: Referendum

The Student Senate may, by a two-thirds majority vote, submit any proposal to the Student Association for a vote. The Student Senate may specify requirements for passage of measures submitted by referendum. The special election is to be held between the seventh and fourteenth day after this decision, excluding holidays and vacations, unless the Student Senate specifies otherwise.

Section 3: Initiative

Clause 1

The Student Association, by a petition signed by at least five percent of its members, shall cause a special election for consideration of any resolution or motion adopted by the Student Government. This petition must be submitted within thirty days, excluding holidays and vacations, from the date the Student Senate approved the legislation.

Clause 2

The Student Association, by a petition signed by at least ten percent of its members, shall cause a special election for consideration of its proposed amendments to this constitution or an independent council's constitution.

Clause 3

The special election is to be held between the seventh and fourteenth day after said petition has been presented, excluding holidays and vacations, unless the petitioning party waives this right.

Clause 4

The minimum number of votes cast in an initiative election must represent five percent of the Student Association for elections regarding resolutions and motions. The resolution or motion shall be declared null and void if a simple majority of those voting in the initiative election vote in favor of overturning the resolution or motion.

Clause 5

The minimum number of votes cast in an initiative election must represent ten percent of the Student Association for elections regarding amendments to this or an independent council's constitution. The amendment shall take effect at the transition of the Student Senate at the next transitional meeting following the special election, unless otherwise specified, if a majority of those voting on the amendment vote in favor of its adoption.

Clause 6

The Student Government's standing rules and an independent council's by-laws may not be amended through an initiative.

ARTICLE IX: AMENDMENT

Section 1: Proposal

Amendments to the constitution of the Student Government may be proposed by a two-thirds majority vote of those voting members of the Student Senate present or through an initiative from the Student Association.

Section 2: Passage

Passage of any proposed amendment(s) shall require a majority vote of the Student Association voting at a general election. In a special election, this majority shall constitute at least five percent of the Student Association.

Section 3: Reoccurring Review

Both the Constitution and Standing Rules of the Student Government must be formally reviewed by the body at least once in between Organizational Activity Fee (OAF) review cycles and informally reviewed annually.

ARTICLE X: CONSTITUTIONAL AUTHORITY

Section 1: Authority

The authority of the Student Government and this constitution is derived from the authority inherent in the Truman State University Student Association.

Section 2: University President

The Truman State University President or their designee shall serve as the agent for the Board of Governors, as defined in the Board of Governors by-laws.

Section 3: Constitutional Supremacy

The Student Government Constitution shall take precedence over any other special rules of order the Student Senate may adopt unless stated otherwise in the relevant section(s) of this constitution.
