To serve as the Student Representative to the Board of Governors you must be a full-time student and a resident of the state of Missouri. Further, **you must be willing and able to serve as a full-time student until January 1, 2022**. The position is a significant time commitment. The Student Representative also serves as a non-voting member of the Student Government and as such is strongly encouraged to attend weekly meetings of the Student Government.

Upon approval, these names will be sent to the office of the Governor of Missouri. The Governor's office will set up a time to interview the two or three candidates. The Governor will then choose the candidate whom he feels is the most qualified for the appointment.
