

KASA - Korean Night Appropriations Slate December 2nd

Background

The Korean American Student Association is asking Appropriations for \$585.00 in order to help fund their annual Korean Night event. Korean Night will take place on November 28th in the SUB Down Under. A bulk of the funding goes towards food preparations and various Korean meals, while the remaining funds goes towards posters and prizes for the various events that will take place during Korean Night.

Decision

We have decided to fully fund what KASA is asking for with their Korean Night event using funds from Appropriations' budget. Korean Night is open to students and the public in order to help explore Korean culture through the various meals and games that will be set up at the event. Supporting the event with funding from Appropriations' budget helps KASA from not charging an entrance fee to the event. This means that students and others would not be deterred from going to Korean Night as that entrance fee would not be there.
