

Legislative Director 2020-2021 End-of-Year Report

Goals

- Increase Student Senate & Student Body's understanding and knowledge of current legislation in the Missouri General Assembly
- Make Truman's voice heard among members of the General Assembly
- Increase my own personal legislative literacy

Accomplishments

- Presented a discussion item on SB 332
- Created a "Bill Tracker" to easily be able to track what bills are important and their current status

Points of Improvement

- Do more historical research on a bill when presenting on it
- Be borderline annoying with members of the General Assembly so you can get answers
- Work more with other committees (especially External)
