5	WHEREAS,
6	
7	• The Student Government is the official governing body of the Student Association and
8	exists to represent the present and long term best interest of the Student Association in
9 10	the formulation of the University policy and in the fulfillment of the University mission; and
11	• Currently there are no outdoor recycle bins anywhere on campus, limiting recycling
12	capabilities to only indoor facilities; and
13 14	 Many students already make use of the recycling options available inside Residential Halls, Academic Buildings, and the Student Union Building; and
15	• The recycling program at Truman State University has been nationally recognized in the
16	2007 Recyclemania program, gaining 3rd place out of 201 schools for recycling paper
17	materials and 4th place out of 201 schools for recycling bottles and cans.
18	• The bins are funded mostly by non-senate student organizations, which shows the support
19	and commitment of the general student body.
20	• The recycle bins will demonstrate Truman State University's commitment to
21	sustainability.
22	
23	THEREFORE BE IT RESOLVED THAT,
24	
25	• The Student Government of Truman State University should sponsor two recycling bins
26	around the quadrangle area of campus.
27	
28 29	THE STUDENT GOVERNMENT OF TRUMAN STATE UNIVERSITY DIRECTS THAT,
30	• XXX.XX \$ be spent to cover the remaining cost of the two outdoor recycling bins on
31	campus.
32	• Additional copies of this resolution are disseminated to President Darrell Kruger, Dean of
33	Student Affairs Lou Ann Gilchrist, Physical Plant Director Karl Schneider, and the all
