

Student Government Appropriations Committee
Appropriations Slate - February 27th, 2021

Application #1/3
GlobeMed

Background:

GlobeMed is requesting \$149.90 to purchase the Zoom Pro plan to ensure our members the best virtual experience possible in our meetings.

Decision:

The committee has decided to recommend up to \$149.90 in order to fund the Zoom Pro plan. The committee decided that funding this will increase student involvement in their thriving organization. Zoom Pro will enable us to conduct meetings and social events more smoothly, and this will help students who are unable to come to such events in person to participate equitably and comfortably. We do not want students to feel isolated from our mission or community simply because of their health status.

Public disclosure: Morgan Sprehe is a member of this organization. She did not participate in discussion or the voting procedure.
