Nineteenth Session of the 2021-2022 Executive Committee
March 2nd, 2022

Convened: 7:02 p.m.

1) Preliminary Items

a) Roll call

2) Auxiliary Reports

a) Speaker of the Student Senate

i) O. Smith: No report.

b) Academic Affairs Committee Chair

i) Purinton: Academic Accolades stuff is taken care of.

(1) Purinton: We want to do something for those that got nominated, so we thought candy can be used to boost morale among professors, reward those who were nominated.

(2) Montúfar: Let me know if you need help with the ceremony and planning things.

c) Diversity and Inclusion Committee Chair

i) Cooper: No committee meeting this week because we need to figure out a new time. I will be spending less than \$99 on a banner for Diversity Week. We are currently working to fill the panels for Diversity Week, mainly the Faith and LGBTQ+ Community Panel.

(1) Montúfar: Maybe an Instagram post to advertise?

ii) Purinton: Is the banner being painted by the Diversity Committee?

(1) Cooper: The banner will be painted as a committee project.

d) Environmental Affairs Committee Chair

i) Sprehe: My committee will be spending less than \$99 from the miscellaneous budget on food and drinks for the Environmental Policy Forum being hosted by Ethan on March 17th.

e) External Affairs Committee Chair

i) Owsley: We are still working on a resolution for the next meeting about voter registration during Truman Days.

f) Health, Wellness, and Safety Committee Chair

i) Fox: Wellness Week is coming up. We're still working on getting animals on the quad for one of the days in the week. We need to figure out the cleanup process and other small things. Also, we have some ideas for Sexual Assault Prevention month in April so will have a money motion for that soon.

(1) Purinton: Do you want to take over Faculty Wellness Honoree?

(a) Fox: We could be involved in the interview process.

g) Student Affairs Committee Representative:

- i) Barge: We did the money motion for Student Appreciation Week last meeting, so that's a big goal that is now done. Currently planning other ideas for Student Appreciation Week as well. We're looking at getting Sodexo gift cards again and buying some treats to hand out each day that week. Maybe some other giveaways like cups. The events are designed to be small and easy to walk into.

- (1) Montúfar: Maybe try and get something in each building? There was some in Barnett one year and it was really cool.

- (2) Barge: It would be good to connect again with the President's Office and Center for Diversity and Inclusion because they didn't respond in time for the t-shirts.

h) IT Director

- i) S. Myers: Got stuff to update on the website and will do it once midterms end.

i) PR Director

3) Executive Reports

a) Treasurer

b) Secretary

- i) Cook: No report.

c) President and Vice President

- i) Kershaw: We will be spending less than \$99 on Environmental Sustainability Fee Accountability Committee posters from the Exec miscellaneous budget.

- ii) Montúfar: End of year reports are coming up soon! Start working on those, maybe divide work among committee members with them filling out sections they worked on. Part of advertising for the upcoming election is presentations at individual meetings, and we have gotten lots of responses so we will need help from y'all. It should be a 10 minute spiel on student government and elections.
