

**Truman State University Student Government**  
**First Session of the 2021-2022 Executive Committee**  
**August 31st, 2022**

**Convened: 5:04 PM**

- 1) Preliminary Items**
- 2) Auxiliary Reports**
- 3) Executive Reports**
- 4) Discussion Items:**

- a) Cooper: Esther and I have been thinking about appointing people on the body to committees before elections because elections are a lot later in September than they normally are. We have deadlines that we need to meet for the Organizational Activities Fees Review Board (OAF) so we need to get that started. We'll send out a survey about committee preferences to the body soon.
  - i) Ghenima and Hammock: What is OAF?
    - (1) Cooper: OAF is the Organizational Activities Fees Review Board and they audit us, Student Activities Board (SAB), Fees Allotment Council (FAC), and all other student fees. It should be done every two years, but it hasn't been done since 2017. It needs to be done very soon. We have some people in the Accounting Department who will help us with that. We will do the 2020 review and 2022 review. We just need a representative who is a voting member. If you're interested in that, let me know.
  - ii) Nichols: What would the position look like? What are the responsibilities?
    - (1) Cooper: Your responsibilities would include looking over finances from the past few years and make sure organizations are accurately spending their money. Your job would be to be on the committee and be the representative for Student Government. We haven't done OAF for a while and none of us were here when it was conducted, so we aren't too sure about the technicalities of it.
- b) Cooper: Are any of you involved in the Residential Housing Association (RHA)? We need a representative for them. We need a FAC representative, a Black Student Representative, a SAB representative. We also desperately need a staff advisor.
- c) Cooper: We need to talk about retreat. It will be on September 25th. In the past, we served lunch and that went until the meeting which started at 5 PM. There will be a break where you change before the meeting and pictures.
- d) Owsley: Laura mentioned that some of you wanted to spend money, but I haven't finalized the budget yet.
